

HASTINGS RAIDERS MARCHING BAND PARENT/MARCHER AGREEMENT 2017

- I have received a Raiders Marching band rehearsal and performance calendar and have noted these dates on my family calendar.
- I will make every effort to attend **all** rehearsals and performances. I understand the staff have the authority to hold me from a performance if I have missed rehearsals and not adequately learned the material. I have read and understand the attendance policies for both rehearsals and performances.
- I understand that it is my responsibility to inform the directors when conflicts arise that might prevent me from being in attendance at a rehearsal or performance. I also understand that the directors will inform me within a reasonable amount of time if additional events beyond the ones listed on the band calendar must be scheduled.
- I understand what constitutes an excused and unexcused absence from rehearsals and performances, and will avoid scheduling doctor, dentist and orthodontist appointments during rehearsals, if at all possible.
- I understand when I can and cannot use a cell phone or mobile device during sectionals, rehearsals and performances. I understand that my device may be confiscated if I am using it inappropriately or at unapproved times.
- As part of the band (honor guard, color guard, winds, percussion), I realize it is my responsibility to load/unload equipment and trailers. If I need to leave before unloading, I will recruit others to help get my work done.
- I will be responsible for my entire uniform/costume and any other items provided for my use throughout the season. I am responsible for the cost of replacement or repair of the items should they be damaged or lost. Colorguard, if I leave the program after costumes have been ordered, I am responsible for the cost of the items that were ordered for me.
- The Hastings Raiders Marching Band is a service and entertainment ensemble, representing Hastings High School and the city of Hastings. I understand that at all times I will conduct myself appropriately in representing the group whether I am at rehearsals, performances, community functions, football games, or at school.
- I understand that all marching band fees are my responsibility and will be paid by the dates required. I am aware that my child will not be allowed to participate if fees are owed past due date. If I need assistance for delayed payments, I must request this in writing no later than June 1st to the directors, unless a life-changing event has occurred. For assistance with the Activity Fee, please contact Mike Johnson at mjohnson@hastings.k12.mn.us by June 1st.
